### Description

The NEXOLIGHT Nervia Bollard Light Type 40-301 brings the distinctive Nervia design to paths, planting beds and driveways. Its clear geometric structure and mouth-blown glass tube create an atmospheric lighting effect with architectural presence outdoors. In the clear glass version, the bollard light is designed for LED lamps with an E27 socket up to max. 20 W and is combined with the matching ground spike 9999-101. The light is available in anthracite grey and black.
