### Technical details

#### Country of Manufacture

#### Manufacturer

K-meral

#### protection

IP20

#### Scope of delivery

Bulb

#### Diameter in cm

7

#### material

aluminum, porcelain

#### cable length

135 cm

#### height adjustment

height adjustable

#### dimming

dimmable on site

#### socket/light fixture

GY6.35

#### Dimensions

H 18,5 cm | Ø 7 cm

### Description

The K-meral DAN pendant light is available with one-to-four lights. DAN is supposed to remind of a dewdrop, which has just sprung from the summer A Midsummer Night's Dream. Its elongated, but bulbous lampshade is made of bisquit porcelain. The porcelain is shaped in a flowing way, and the light is also fluid, the light cone of which is smaller and more punctual than CECIL. The circular canopy of the single-lamp light and the elongated ceiling housing of the multi-lighted lamps are made of polished aluminum. The transformers are integrated into these ceiling housings.

All DAN pendant lights can be dimmed on site. By simply pushing the coaxial cable into the ceiling housing, the lamps can be individually adjusted in height. Supplied with 35 watt lamps. Here, the DAN lamps are offered in a simple, straightforward design. The pendant lights are also available with "TIWI", a beautiful accessory above the lamp shade, which gives the light a very special look.
