

Keilbach

Tripod for mailbox Glasnost to screw

Technical details

Country of Manufacture	 Germany
Manufacturer	Keilbach
Designer	Peter Keilbach
Version	to screw
Dimensions	H 120 cm B 3x6 cm

Description

These tripods fit all mailboxes from the Keilbach Glasnost collection and can be ordered either for screwing onto the ground or for setting in concrete.

The two rectangular stainless steel tubes match the Glasnost letterboxes perfectly. The threads for the mailbox and the newspaper box are already available for easy assembly. The tripods are supplied with fixing screws and a practical accessory that makes it easier to align the two rectangular tubes.

The tripods are supplied without mailbox.
