Description

The Foscarini Tress Sospensione Piccola is the second smallest of the pendant lamps of the Tress collection. This pendant lamp is available in a large (Tress Grande), a medium-sized (Tress Media) as well as a small version (Tress Piccola) and a mini version (Tress Mini) providing one light for every individual taste and purpose. The Tress Piccola has a diffuser diameter of 23 cm and a diffuser height of 61 cm.

For Tress Piccola an LED retrofit PAR 30 with 9,5 watts power is recommended. The Tress Piccola radiates its lighting onto the area beneath it. Like all Foscarini Tress lights, these Tress Sospensione lamps are made of lacquered glass fibre fabric giving an individual touch to the room through the interesting play of light and shadow. As the Tress Sospensione is available in greige (grey-beige), white and black, these lights are perfectly combinable. The cable length is 320 cm and can be shortened if required. A longer cable is offered on request.
