## **Description**

The lamp arms of the Serien Lighting Poppy Suspension are made of aluminum and covered with fabric. As the lamp arms can be bent, the total height of the lamp can be varied between 70 cm and 350 cm. After switching on the lamp, the lamellae of the lamp shades open after approx. 2 minutes, imitating the effect of flower buds opening.

The Poppy Suspension pendant lamp is available with lamp shades in the colours black-violet, ruby red or ceramic. Its arms are available in black or beige.
