Description

The Escale Spot It 2-light is a rectangular ceiling spotlight with two spotlight lamp heads. Both lamp heads can be individually tilted and adjusted in height if required.

In each lamp head of Spot It 2-light one LED is integrated. The ceiling lamp is available in different versions: on site dimmable with phase leading edge/trailing edge dimmer, with Casambi module or with ZigBee module. With the Casambi module, this lamp can also be operated using a Smartphone/Tablet by means of the Casambi App via Bluetooth. The ZigBee module enables voice control of the ceiling lamp.

The ceiling spotlight has a height of 5 cm, a length of 40 cm and a width of 20 cm. The lamp heads Spot It 2-light reach at their maximum projection 15 cm.
