Description

The Luceplan Ascent table lamp is equipped with a dimmer. When the head is pushed onto the light rod upward, the emitted light becomes brighter. When pushing the lamp head down, the light gets darker. The light is available with a table stand or with a table plug-in. Daniel Rybakken designed the lamp in the year 2013, it was awarded in 2014 with the Red Dot Award. In 2016, the light received the Compasso d'Oro ADI award.
