

Luceplan

Counterbalance

Oberfläche

- black
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Luceplan
Designer	Daniel Rybakken
Year of design	2012
Color	black
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	110 - 240 Volt
material	aluminum, steel
dimming	on the lamp head
Wattage	16 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	598
Color temperature in Kelvin	2,700 extra warm white
Arm length	190 cm
light head dimensions	9 cm
Dimensions	L 192 cm

Description

The Luceplan Counterbalance is a black wall lamp, which can be aligned in the room at will cause of its swiveling light arm. The counterweight balances the movements of the long arm with help of gear wheels and guarantees the stability of the lamp head. The lamp head is made out of lacquered aluminum, the body is made of matt lacquered steel. Different brightness levels can be set with the dimmer on the lamp head. Daniel Rybakken designed the wall light in the year 2012. Apart from this light, also a spotlight as well as a floor lamp are on offer from this series.
