Description

The Oluce Switch 206 Oro Gold table lamp is designed by Nendo in 2007. The Switch 206 Oro Gold consists of a high-quality light body made of gold coloured metal. This lamp can be switched and dimmed by turning the lampshade.

This Oluce Table lamp is unparalleled due to this unusual mechanism. Oluce offers from the Switch series also a floor lamp and a version in the surface painted black, which can be optimally combined.
