Description

The Oluce Colombo 626 is a floor lamp for the living room and also the commercial sector. The Colombo 626 is designed by Joe Colombo in 1972. The head of this Oluce light is rotatable and adjustable in height along the lamp rod. An LED is integrated as illuminant. The floor lamp is available in black lacquered or bronze anodised. Lamp head and base are each supplied in the matching surface. The black version has a chrome-plated light rod, the bronze version has a black one. The floor lamp has a dimmer with integrated on/off switch on the supply line.
