

Luceplan

Curl

Technical details

| | |
|------------------------------------|---|
| Country of Manufacture |  Italy |
| Manufacturer | Luceplan |
| Designer | Sebastian Bergne |
| Year of design | 2012 |
| protection | IP20 |
| Scope of delivery | LED |
| voltage suitability | 110 - 240 Volt |
| material | aluminum |
| dimming | Dimmer at lamp base |
| Wattage | 8 W |
| LED | inclusive |
| Colour Rendering Index | 80 |
| Luminous flux in lm | 249 |
| Color temperature in Kelvin | 3,000 warm white |
| Dimensions | H 26 cm B 21 cm L 23 cm |

Description

The Luceplan Curl is a table lamp with an integrated LED. The LED emits its light on the inside of the curved body, where it is reflected. The shape of the lamp base allows a different alignment and rotating of the lamp body. As a result, the light can also be adjusted at will.

The light can be dimmed via a switch in the center of the lamp base. The table light has a reflector in a mirror surface. Glare-free light is emitted. Sebastian Bergne designed the Luceplan light in the year 2012.
