Description

The Foscarini Allegro Assai LED is a pendant lamp made of gold lacquered metal. This light is an LED light with separately switchable lamps.

It is on site DALI dimmable and hangs on three ropes of a round canopy. The ropes can be shortened individually. Of the lights of this series, the Allegro Assai is the largest with a diameter of 136.5 cm the widest place. In addition to this LED version, a halogen version is also available.
