## Description

The Foscarini Buds Sospensione 1 is the longest pendant lamp of this series. This is the version with an exchangeable LED retrofit lamp. The Buds Sospensione 1 has a blown glass diffuser, available in warm white. The shade is white when switched off. As soon as the light is switched on, the glass gets a darker, warmer tone. In the standard version, the cable has a length of 340 cm and can be shortened if necessary. On request, the pendant lamp is also offered with a longer cable length.
