Description

The Oluce Recuerdo 484 is a pendant lamp with a shade made of high-quality hand-blown glass. The built-in LED is surrounded by a frosted glass cylinder, so that the light is emitted into the room without glare. The rhombus look on the glass shade also creates impressive light reflections. The holder of the lamp is made of anodized aluminum. The canopy is 4.2 cm high with a diameter of 15.9 cm. The cable has a maximum length of 280 cm and can be shortened if necessary. An LED with 12 watts and a colour temperature of 3,000 Kelvin is integrated.
