

Anglepoise

Original 1227 Mini Desk Lamp

Oberfläche

- black
- grey
- white

Technical details

Country of Manufacture	 United Kingdom
Manufacturer	Anglepoise
Designer	George Carwardine
Year of design	2015
protection	IP20
Scope of delivery	LED
voltage suitability	110 - 240 Volt
Projection in cm	56
material	aluminum, cast Iron, steel, Textile
cable length	180 cm
dimming	dimmable on site
socket/light fixture	E14
switchability	on the lead
Power (max. Watt)	15 Watt
LED	inclusive
Shade diameter	13 cm
Shade height	14 cm
lamp stand dimensions	length 13, width 13 cm
bulb exchange	on site itself
Dimensions	H 52 cm

Description

The Anglepoise Original 1227 Mini Desk Lamp is a desk lamp with constant tension spring technology. By using this tension spring technology, both the lamp arms and the lamp shade of the table lamp can be individually adjusted so that the light can be precisely aligned. The design of the desk lamp is based on the original Anglepoise Original 1227 Desk Lamp, which was one of the first table lamps with springs. Thanks to the proven tension spring technology, which was specially developed for the British manufacturer, the lamp remains stable in its adjusted position.

The desk lamp has a steel lamp shade, a cast iron lamp base with steel coating and aluminum lamp arms. The lamp shade is glossy lacquered. The lamp is available in jet black, linen white and dove grey. The table lamp can be operated with an on/off switch on the textile feed line. Compact fluorescent lamps or LED retrofit lamps are suitable as illuminants.
