### Description

The Foscarini Gem Sospensione pendant lamp is made of hand-blown, acid-etched glass. The white glass has a relief structure which cause numerous light reflections on the glass surface when switched on. The light is emitted by the lamp glare-free and smoothly into the room. The Gem Sospensione has a white suspension and canopy.

The cable is max. 340 cm long and can be shortened if necessary. On request, this lamp is also available with a 1000 cm long cable. This version with E27 socket can be operated with LED retrofit lamps. The light can be dimmed on site.
