Oxygen W2

Oberfläche

- black
- blue
- yellow
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Stilnovo
Designer	Pio & Tito Toso
Year of design	2018
protection	IP40
Scope of delivery	LED
voltage suitability	230 - 240 Volt
Diameter in cm	56
material	polymethylmethacrylate, polyurethane
dimming	integrated Pushbutton dimmer
Wattage	36 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	4,042
Color temperature in Kelvin	3,000 warm white
light distribution	directly and indirectly
Dimensions	H 32 cm Ø 56 cm

Description

The Stilnovo Oxygen W2 wall lamp is specially designed for tables or wall-mounted work tables thanks to a power cable with plug. The power cable is tensioned with a counterweight. The diffuser inside the lamp shade is made with OptiLight technology: The diffuser is engraved with laser micro incisions, which evenly deflect the light of the LEDs upwards and downwards. When switched off, the diffuser is almost invisible thanks to this technology. The wall lamp is available in white, black, yellow and azure blue. From the inside, the shade is always white. With protection class IP40, the Oxygen W2 is protected against solid foreign bodies with at least one diameter. A push dimmer is integrated on the cable of the lamp.
