Kyklos P2 65cm, bronze, DALI

Technical details

Country of Manufacture	 Italy
Manufacturer	Stilnovo
Designer	Linea Light Group
Year of design	2016
protection	IP20
Scope of delivery	LED
voltage suitability	230 - 240 Volt
Diameter in cm	65
material	polycarbonate, polymethylmethacrylate, polyurethane
height adjustment	height determinable
LED	inclusive
Colour Rendering Index	90
Color temperature in Kelvin	3,000 warm white
light distribution	directly and indirectly
total height	200 cm
Dimensions	Ø 65 cm

Description

The Stilnovo Kyklos P2 is a double ring pendant lamp with luminous 2 cm thick polyurethane foam houses topLED sources that slide into the recesses of the material structure. Two light rings are arranged in a play of reflective mirrors: the smaller ring, located above the light source, directs the light downwards. The Kyklos P2 pendant lamp is the ideal solution for lighting the interiors of accommodation facilities and private residences. Available in totally white or in the precious brushed bronze finish (only the lower ring with source). The upper ring is in white.

The pictures displayed show the product completely in white instead of with the lower ring in bronze.

This lamp is dimmable in DALI and can also be dimmed with an optionally available Casambi module via Smartphone App. The Kyklos family boasts the prestigious Red Dot Award 2015. This is the pendant lamp with a diameter of 65 cm for the lower body.
