system performance 3 x 1 Watt **Dimensions** H 115 cm

Description

The Catellani & Smith Lola F floor lamp is discreet and practical. Its inconspicuous presence places the emphasis on light, directing it exactly where needed. Hand crafted entirely in brass, it is available as a floor or table lamp. With minimal design, Lola is the essence of light. The flexible lamp arm can be individually oriented. A touch dimmer is integrated at the tip of the copper lamp head.
