No8

Oberfläche

- oak
- Wenge

Technical details

Country of Manufacture Spain
Manufacturer Marset

Designer Christophe Mathieu

Year of design 2016
protection IP20
Scope of delivery LED

voltage suitability 230 - 240 Volt

Projection in cm 49

materialmetal, Textile, woodswitchabilityOn the wall bracket

Wattage 3.6 W
LED inclusive
Colour Rendering Index 80
Luminous flux in Im 150

Color temperature in Kelvin 2,700 extra warm white

Shade diameter 7 cm light distribution directly

Wall mount dimensions 12 cm, depth 3 cm

Description

The Marset No8 wall lamp has a flexible arm that can be repositioned at any time. The arm is covered with black braided textile. At the end of the lamp arm there is a lamp head made of twisted oak or wenge wood. The head is processed by hand so that each lamp is unique. The wall bracket is made of black lacquered metal and has a diameter of 11.5 cm as well as a depth of 3.3 cm. A toggle switch is integrated on the wall bracket. An LED with a colour temperature of 2,700 Kelvin extra warm white is included as a light source.
