- white

Farbtemperatur in Kelvin

- 2,700 extra warm white
- 3,000 warm white

Technical details

Country of Manufacture	 Germany
Manufacturer	Decor Walther
Designer	Maiken Walther
Protection class / IP rating	IP44
Contents of the package	LED
voltage suitability	230 - 240 Volt
Depth in cm	10
material	acrylic glass, metal
dimming	on site dimmable with a trailing edge dimmer
Wattage	15.8 W
LED	inclusive
Colour Rendering Index	80
Luminous flux in lm	2,646
Dimensions	H 5 cm L 25 cm

Description

The Decor Walther Box 25 N LED emits its light simultaneously upwards and downwards. The cuboid wall lamp has a length of 25 cm. The height of the lamp is 5 cm, its depth 10 cm. A diffuser made of white matt acrylic glass prevents glare and diffuses the light evenly. The light is also partially emitted to the wall, from where it is reflected into the room. The lamp is offered in black matt, white matt, chrome, satin nickel, gold (glossy), gold matt and rose gold finishes. An LED is integrated as a light source which can be dimmed on site with a trailing edge phase dimmer. The LED is available with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. The lamp with a colour temperature of 2,700 Kelvin extra warm white is also available in dark bronze on request. Thanks to the IP44 protection class, the Box 25 N LED wall light is also suitable as a bathroom light. In addition to this LED version, there is also on offer a R7s halogen version of the lamp.
