Nevo NE06 beige LED

Description

The Arturo Alvarez Nevo NE06 wall and ceiling lamp stands out for its use of the extremely flexible material Painted stainless steel mesh. This material was developed exclusively by the Brand Arturo Alvarez and allows the designer an enormous creative freedom. The Nevo NE06 lamp is dimmable on site and available in white, taupe, beige or grey. This Lamp is 36 cm high, 36 cm wide and has a depth of 20 cm. This wall and ceiling light is on offer in two versions: as a halogen or as a version with integrated LED module.

The halogen version gets powered by two Bulbs E14 socket each and can be operated with halogen lamps or LED retrofit lamps. The LED version is also available on request with a colour temperature of 2,700 Kelvin extra warm white.
