

Vistosi

Aria SP

Schirmfarbe

- copper
- metallized

Technical details

Country of Manufacture	 Italy
Manufacturer	Vistosi
Designer	Giovanni Barbato
Year of design	2017
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
Diameter in cm	35
material	glass, metal
cable length	200 cm
height adjustment	height determinable
dimming	dimnable on site
socket/light fixture	E27
Power (max. Watt)	77 Watt
Dimensions	H 26 cm Ø 35 cm

Description

The Vistosi Aria SP is a pendant lamp with two shades set into each other. The two shades can be positioned differently to each other by means of angled rails on the suspension. The inner lamp shade is always white, the outer shade is available in the colours metallized or copper. The lamp is 26 cm high and has a diameter of 35 cm. The suspension cables of the Aria SP are height-determinable if required. With the three ceiling hooks supplied, the pendant lamp can also be mounted independently of the power outlet. The pendant lamp can be operated with halogen lamps or LED retrofit lamps.
