

Vistosi

Bolle PL G

Oberfläche

- transparent
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Vistosi
Designer	Barbara Maggiolo
Year of design	2003
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	crystal glass, metal
dimming	dimmable on site
socket/light fixture	E27
Power (max. Watt)	77 Watt
Shade diameter	25 cm
Dimensions	H 30 cm

Description

The Vistosi Bolle PL G is a ceiling lamp with a shade made of mouth-blown crystal glass. The balaton technique is used for the processing, whereby air bubbles are enclosed into the glass for a special texture. This texture multiplies the reflections on the surface of the shade and creates a halo effect on the ceiling around the lamp. The Bolle PL G ceiling lamp is available in crystal transparent and white. The metal parts of the lamp are satin nickel-plated in both versions. This light can be operated also with E27 LED retrofit lamps.
