

Vistosi

Damasco SP 6 P

Diffusorfarbe

- clear
- amber

Technical details

Country of Manufacture	 Italy
Manufacturer	Vistosi
Designer	Paolo Crepax
Year of design	2003
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	crystal glass, metal
Height adjustment	height determinable
dimming	dimmable on site
Base / Socket	G9
system performance	6 x 60 Watt (max.)
total height	200 cm
Dimensions	B 80 cm

Description

The Vistosi Damasco SP 6 pendant lamp has a total of six glass diffusers. These are made of mouth-blown crystal glass, around which threads of melted crystal glass are laid by hand. The three metal rods with the glass diffusers can be individually aligned to each other. The light is emitted through the transparent glass diffusers, at the same time a part of the light also passes through the openings at the end. In addition, many reflections are generated on the surface. The Damasco SP 6 is available in the glass diffuser colours crystal clear and amber. The total height is a maximum of 200 cm, the cables of the pendant lamp can be shortened if required.
