

Cini & Nils

Convivio pendant lamp decentralized LED

Oberfläche

- chrome
- black

Technical details

Country of Manufacture	 Italy
Manufacturer	Cini & Nils
Designer	Luta Bettonica
Designer 2	Mario Melocchi
Year of design	2005
protection	IP20
Scope of delivery	LED
voltage suitability	230 - 240 Volt
Diameter in cm	11
material	aluminum, brass, glass, steel
cable length	385 cm
height adjustment	height determinable
dimming	on site dimmable with a trailing edge dimmer
Wattage	13 W
LED	inclusive
Colour Rendering Index	92
Luminous flux in lm	1,300
Color temperature in Kelvin	2,800 warm white
canopy dimensions	14 cm
Dimensions	H 65 cm Ø 11 cm

Description

The Cini & Nils Convivio pendant lamp decentralized LED has a transparent glass lens through which the light is bundled and emitted directly downwards. This transparent lens provides a distinctive, clear illumination. The lamp is supplied with a decentralized canopy, which allows it to be mounted independently of the power supply. The Convivio is available in chrome and matt black. The integrated LED is on site dimmable with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed with the Casambi App via Bluetooth using a smartphone / tablet. A version with integrated Casambi module is also offered on request. The maximum cable length of 385 cm can be individually set during assembly.
