### Description

This Brokis Knot Small Uovo pendant lamp has an opal, mouth-blown glass. It emits its light glare-free into the room and has a diameter of 18 cm and a height of 29 cm. The metal reflector at the top of the glass is handcrafted during production and is available in the following colours: black matt, brushed stainless steel, copper and brass. The canopy has the matching colour to the reflector. The special feature of the Knot lights is the cable running through the lights, which is tied in a knot at the bottom. The Knot Small Uovo is operated with an LED. On request, the pendant lamp is available as not dimmable version. The pendant lamp is also on offer with a smoke brown, transparent or smoke grey glass. The larger Knot Uovo with a diameter of 30 cm and a height of 48 cm is also available from the series.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
