Mytilus MY04-3

Technical details

Country of Manufacture	 Spain
Manufacturer	Arturo_Alvarez
Designer	Arturo Alvarez
Year of design	2020
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	glass, stainless Steel, steel
Height adjustment	height determinable
dimming	DALI dimmable
Wattage	25 W
LED	inclusive
Luminous flux in lm	2,880
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	15 cm
total height	250 cm
Dimensions	H 30 cm B 136 cm L 140 cm

Description

The Arturo Alvarez Mytilus MY04-3 consists of three individual MY04G lamps that are suspended together from a canopy. Each lamp shade is made of a painted stainless steel mesh that is finished by hand. In total the lamp has a width of 136 cm and a length of 140 cm. A spherical glass diffuser is integrated in each lamp shade, through which the light is emitted glare-free in all directions. The canopy made of white painted steel has a diameter of 15 cm. The lamp has a maximum overall height of 250 cm. Its transparent cables can be shortened if required. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as the light source. The Mytilus MY04-3 with 3,000 Kelvin warm white is available on request.
