## Description

The Serien Lighting SML2 Wall 220 Silver is a LED wall lamp with a housing made of silver aluminum. It is available with a colour temperature of 2,700 Kelvin extra warm white or with 3,000 Kelvin warm white. The integrated LED can be replaced on site if required. The SML2 Wall 220 Silver is available with different lamp covers. With the lamp covers, the light can either be scattered upwards and downwards (satinée / satinée) or scattered in one direction and, depending on how the lamp is fixed, dimmed downwards or upwards (satinée / raster). Cover plates and mirror adapters are available as accessories.
