Description

The Foscarini Twiggy Grid Outdoor Lettura is a 160 cm high floor lamp for outdoor use. It emits its light mainly directly downwards. Its lamp shade has a diameter of 46 cm and a height of 29 cm. The Twiggy Grid Outdoor Lettura is available in crimson and greige (a mixture of grey and beige). Depending on the connection options, the floor lamp has a protection class of IP44 (with plug connected) or IP65 (with clamp). With the IP44 protection class, it is protected against solid foreign bodies with a diameter of at least 1 mm and against splash water on all sides. With IP65, the lamp is dust-tight and protected against water jets from any angle.
