## Aichinger Mimix Book Shelf AI-M

### Technical details

Country of Manufacture	 Germany
Manufacturer	less'n'more
Designer	less'n'more
protection	IP53
Scope of delivery	LED
voltage suitability	230 - 240 Volt
Depth in cm	15
material	aluminum, stainless Steel, wood
beam angle	100 degrees
cable color	transparent
dimming	cord dimmer
Wattage	4.3 W
LED	inclusive
Colour Rendering Index	85
Luminous flux in lm	390
Color temperature in Kelvin	2,700 extra warm white
light head dimensions	6 cm
bulb exchange	on site itself
Dimensions	H 5 cm   B 45 cm

### Description

The Less'n'more Aichinger Mimix Book Shelf AI-M has a recessed spotlight made of aluminum. The book case is made of oak wood and has a pull-out bookmark made of satin-finished stainless steel. The Mimix lamp head of the recessed spotlight has a 100 degree beam angle, so that the light is emitted directly downwards and a cone of light is created on the wall. The Aichinger Mimix Book Shelf AI-M can be connected with a transparent supply line with dimmer (230 volts) or optionally directly to a power connection on the wall. Less'n'more also offers the Aichinger book shelf with an Athene or Zeus recessed lamp.
