Its wall bracket / mounting plate has a diameter of 8 cm and can be mounted freely by 360 degrees. The flexible lamp arm can be stretched and bent as desired. At maximum extension of the lamp arm, the lamp has a height of 30 cm. The flexible lamp arm is available in these colours: aluminum, textile black, white, anthracite, blue, green, red and brown.

Lamp head and wall bracket are offered in the surfaces aluminum and black. The beam angle of the light can be adjusted continuously between 15 and 75 degrees.
