Technical details

Country of Manufacture	 Germany
Manufacturer	less'n'more
Designer	less'n'more
protection	IP43
Scope of delivery	LED
voltage suitability	110 - 240 Volt
Depth in cm	15
material	aluminum, glass, wood
beam angle	15 - 75 degrees
cable color	black
cable length	200 cm
dimming	Push button dimmer at the light rod
Wattage	4.2 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	450
Color temperature in Kelvin	2,700 extra warm white
light head dimensions	3 cm
bulb exchange	on site itself
total height	max. 59 cm
Dimensions	H 5 cm B 45 cm

Description

The Less'n'more Aichinger Zeus Book Shelf AI-Z is a straight book shelf with an integrated Zeus lamp. The oak shelf has a width of 45 cm and a height of 5 cm. It is 15 cm deep. An extendable bookmark made of satin-finished stainless steel is included. The flexible lamp arm of the Zeus lamp can be bent and stretched as desired. At maximum extension of the arm, the bookcase and lamp together are 59 cm high. The lamp arm is available in the following colours: aluminum, textile black, white, anthracite, blue, green, red and brown. The lamp arm is offered in other colours on request.

Lamp head and rod made of aluminum are available in the surfaces aluminum and black. A push button dimmer is integrated in the lamp rod with which the light can be switched and dimmed. The beam angle of the light can be adjusted continuously between 15 and 75 degrees by turning the glass lens out of or into the lamp head. With a larger beam angle, the light is distributed over a larger area.

The Aichinger Zeus Book Shelf AI-Z is connected via a black supply cable. In addition to the conventional power supply, the recessed lamp can also be operated via a USB connection. Less'n'more also offers the Aichinger book shelf with an integrated Athene or Mimix lamp.
