

Bopp

Close round 3-lights

Oberfläche

- aluminum
- black
- white

Technical details

Country of Manufacture	 Germany
Manufacturer	Bopp
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
Diameter in cm	20
material	aluminum
dimming	on site dimmable with a trailing edge dimmer
LED	inclusive
Colour Rendering Index	95
Color temperature in Kelvin	Dim to warm
system performance	3 x 7 Watt
Total luminous flux in lm	1,785
Dimensions	H 2 cm Ø 20 cm

Description

The Bopp Close round 3-light ceiling light has a diameter of 20 cm and a height of 1.5 cm. The LED ceiling light is available in the surfaces anodised aluminium, anodised black and anodised white. This round as well as very flat designed ceiling light made of aluminium has three integrated LEDs that emit warm white light. The light of the LEDs is characterised by a very good colour rendering with a very high colour rendering index of Ra 95. When dimming the Bopp Close ceiling light, the light colour of the LEDs changes to a warmer tone (from 3,000 Kelvin warm white to 2,000 Kelvin extra warm white) thanks to the dim-to-warm technology.
