Description

The Loom Design Sif ceiling light is also suitable as an outdoor or bathroom light. With IP65 protection, it is dustproof and protected against water jets from any angle. A lens made of crystal glass focuses the emitted light and emits it directly downwards. This creates a wide cone of light onto the wall behind the ceiling lamp. The integrated LED has a beam angle of 110 degrees and a colour temperature of 2,700 Kelvin extra warm white. The Sif is 3.6 cm high and has a diameter of 10.7 cm. It is made of die-cast aluminum and aluminum profiles. The surfaces black or white are available.
