

# Loom Design

## Sif

#### Oberfläche

- black
- white

### **Technical details**

Country of Manufacture Denmark

Manufacturer Loom Design

protection IP65 Scope of delivery LED

voltage suitability 230 - 240 Volt

Diameter in cm 1

material aluminum, crystal glass

**beam angle** 110 degrees

dimming on site dimmable with a trailing edge dimmer

ullilliei

Wattage 6 W
LED inclusive
Luminous flux in Im 402

Color temperature in

**Kelvin** 2,700 extra warm white

## **Description**

The Loom Design Sif ceiling light is also suitable as an outdoor or bathroom light. With IP65 protection, it is dustproof and protected against water jets from any angle. A lens made of crystal glass focuses the emitted light and emits it directly downwards. This creates a wide cone of light onto the wall behind the ceiling lamp. The integrated LED has a beam angle of 110 degrees and a colour temperature of 2,700 Kelvin extra warm white. The Sif is 3.6 cm high and has a diameter of 10.7 cm. It is made of die-cast aluminum and aluminum profiles. The surfaces black or white are available.
