Description

This Bomma Soap chandelier multicolour consists of two Soap Large and three Small pendant lamps, which are suspended together from a round canopy. In this chandelier, the lamps have different glass colours. Two versions are offered here; on request, any combination of the glass colours gold, silver, blue, purple, green, matt and clear can also be put together.

The white coated canopy has a diameter of 56 cm and is 6.2 cm high. Each glass is individually made of crystal glass and is mouth-blown without a mould, so it is unique and can vary in shape, size and colour intensity. Due to their metal coating, the glasses glitter and shimmer, especially when switched on. Each lamp has an E27 socket that is operated with an LED retrofit. The cables of this Soap chandelier have a maximum length of 250 cm and can be shortened if necessary.

The chandelier ist offered with these versions:

- Version 1: 2 x Large frosted, 2 x Small clear, 1 x Small frosted
- Version 2: 1 x Large silver, 1 x Large blue, 1 x Small silver, 1 x Small blue and 1 x Small gold
