## Description

This Bomma Soap chandelier consists of a total of ten pendant lamps on a rectangular canopy. There are included five Soap Large and five Small pendant lamps with the same glass colour. The chandelier is offered in these glass colours: gold, silver, blue, matt and clear. The white coated canopy has a length of 143 cm and is 38 cm wide. Its height is 6.2 cm. Each glass is made of crystal glass and mouth-blown without a mould, so it is unique and the shape, size and colour intensity can vary. The glasses are coated with metal during production so that they glitter and shimmer, especially when switched on. Each lamp has an E27 socket that is operated with a replaceable LED retrofit.

The cables of the chandelier have a maximum length of 250 cm and can be shortened if necessary. Chandeliers with a round canopy and up to eleven Soap Small and / or Large lamps in any glass colour are also available on request.
