

Bomma

Orbital Wall

Glasfarbe

- black
- white
- clear
- pink

Wandhalterung Oberfläche

- gold
- silver

Technical details

Country of Manufacture	 Czechia
Manufacturer	Bomma
Designer	Studio deFORM
protection	IP20
Scope of delivery	LED 230 Volt
voltage suitability	110 - 240 Volt
Depth in cm	16
Diameter in cm	36
material	crystal glass, stainless Steel
dimming	dimnable on site
socket/light fixture	E27
Power (max. Watt)	13 Watt
LED	inclusive
bulb exchange	on site itself
Dimensions	Ø 36 cm

Description

The Bomma Orbital Wall is a wall lamp with a mouth-blown glass. It has a diameter of 36 cm and a depth of 15.5 cm. The light is emitted through the glass homogeneously and glare-free in all directions, thereby creating numerous light reflections on the lamp. Each glass is individually made of mouth-blown crystal glass. Any small bubbles or irregularities in the glass are a characteristic of traditional glassblowing. During the production of the coloured glass, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly durable. As each glass is unique, the colour shade and intensity can vary.

The Orbital wall lamp is available in the glass colours polaris white, mercury black, venus pink and clear. The wall mounting made of stainless steel is available in the surfaces silver or gold patinated. The lamp socket behind the glass has the same surface as the wall mounting. A replaceable Globe LED Retrofit can be used as the light source.
