

Domus

Loop Floor Lamp

Oberfläche

- aluminum
- Beech
- oak
- walnut

Technical details

Country of Manufacture	 Germany
Manufacturer	Domus
protection	IP20
Scope of delivery	Leuchtmittel/ Bulb
voltage suitability	110 - 240 Volt
material	aluminum, Lunopal, wood
dimming	dimmable on site
socket/light fixture	E27
switchability	on the lead
Power (max. Watt)	50 Watt
shade color	white
Shade diameter	19 cm
total height	150 cm

Description

The Domus Loop is a floor lamp with a twisted, white lampshade made of Lunopal. Lunopal is a high-quality shade material that was developed by Domus. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The environmentally friendly material is UV-resistant, washable and does not yellow. The lampshade of the lamp can be turned into different positions and shapes and thus serves as an ideal glare-free reading light. The design elements on the lampshade as well as the lamp base are available in the surfaces walnut, beech, aluminium and oak. The lamp rod of the Loop floor lamp is made of aluminium in all versions. This floor lamp has a foot switch on the supply line. The 150 cm high lamp has an E27 socket and can be operated with all standard lamps (halogen, energy-saving lamps or LED). The white lampshade of the Domus Loop has a diameter of 19 cm.
