

Bover

Folie S/70.2

Schirmfarbe

- cream
- white

Technical details

Country of Manufacture	 Spain
Manufacturer	Bover
Designer	Christophe Mathieu
Year of design	2022
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	aluminum, polycarbonate, steel, Textile
cable length	200 cm
height adjustment	height determinable
dimming	dimmable on site
socket/light fixture	E27
canopy dimensions	14 cm
Shade diameter	70 cm
Shade height	97 cm
system performance	5 x 15 Watt (max.)

Description

The Bover Folie S/70.2 pendant lamp has a two-part lamp shade made of textile pleated fabric. Inside the classically shaped lamp shade, an oval shade is integrated that becomes wider towards the top. The outer part of the lamp shade has a diameter of 70 cm and a height of 86 cm. In total, the two-part lamp shade is 97 cm high. A ring made of black steel surrounds the lamp shade as a design element. The light is filtered through the shade to the sides. A diffuser made of polycarbonate ensures that the light is also emitted downwards without glare. The 200 cm long cable of this pendant lamp can be shortened if necessary. The pendant lamp is offered in the shade colours white and cream. The Bover Folie S/70.2 has E27 sockets and can be operated with replaceable LED retrofit bulbs.
