## **Description**

The Karman Alibabig pendant lamp has a lampshade with a diameter of 40 cm and a height of 110 cm. When the light is switched off, the material made of fibreglass is opaque. As soon as the light is switched on, it becomes translucent and creates excellent light effects. The Karman Alibabig pendant lamp SE617V-INT is suspended from a steel cable with a length of 200 cm. During assembly, this pendant lamp can be individually set in height. The lamp has two E27 sockets and can be operated with replaceable LEDs (retrofit).
