

Licht im Raum

Ocular Spot 2 Zoom semi-recessed

Oberfläche

- satin nickel-plated
- polished

Technical details

Country of Manufacture	 Germany
Manufacturer	Licht im Raum
Designer	Licht im Raum
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	stainless Steel
beam angle	30 - 60 degrees
dimming	dimmable on site
LED	inclusive
Luminous flux in lm	1,266
Color temperature in Kelvin	2,700 extra warm white
Lens diameter	67 mm
system performance	2 x 4.7 Watt
Dimensions	H 15 cm L 30 cm

Description

The Licht im Raum Ocular Spot 2 Zoom semi-recessed has two swivelling lenses, each with a diameter of 67 mm. To change the beam angle of the light, the lenses can be zoomed in or out. In this way, the beam angle can be variably adjusted between 30 and 60 degrees. The Ocular lenses focus and control the light in a precise, glare-free manner, creating superior light quality.

The Ocular Spot 2 Zoom semi-recessed has two lamp heads that can be aligned via a swivel and tilt joint. The wall and ceiling lamp is made of stainless steel and is available with a matt nickel or polished finish. The rectangular recessed box is semi-recessed into the wall or ceiling.
