Descripción

The Ingo Maurer Lacrime del Pescatore is a ceiling lamp for a very spectacular installation. This ceiling lamp consists of a nylon net beset with crystals which you stretch below the ceiling. The light source is a spot which is fixed to the wall separately. This spot shines onto the crystals creating a wonderful fascinating lighting. More than 350 crystals and pearls cause impressive shade patterns at the floor as well as at the wall. The term "Lacrime del Pescatore" means "tears of a fisherman" and the magical lighting effect of the unique Ingo Maurer light is as poetic as its concept.
