### Descripción

The LIGHTYEARS Calabash P1 is the smallest one out of three pendant lamps belonging to this series. A breathtaking glossy chrome finish is achieved through the complex lacquering which is perfected by hand. The organic shape gives a distinctive design as well as a unique look to the Calabash P1. A pleasant warm light is radiated directly downwards providing for a cosy atmosphere. The Calabash P1 is offered by LIGHTYEARS in black silver red and gold. You may also choose for a maximum suspension of either 3 m or 6 m. Moreover there are two larger versions of the Calabash on offer named Calabash P2 and Calabash P3. These are to be found here in our shop too.
