Squadrina Pico Table Base

Oberfläche

- Aluminio pulido
- aluminio mate
- Aluminio negro
- satén polvo blanco recubierto

Technical details

País de origen	 Alemania
Fabricante	Byok
Diseñador	Kai Byok
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
Proyección en cm	57
material	aluminio
Atenuación	control por movimientos
LED	incluyendo
Temperatura de color en grados Kelvin	Dim to warm
Dimensiones del soporte de la lámpara	longitud 16, anchura 16 cm
El rendimiento del sistema	2 x 3,6 Watt
Flujo total luminoso en lm	610
distribución de la luz	directamente
Dimensions	H 49 cm B 2 cm

Descripción

The Byok Squadrina Pico Table Base is the small version of the Squadrina table lamps. It is as slim as the larger Squadrina Table Base but it is only 49 cm in height. It adapts to every room perfectly. This lamp convinces by its functionality as well as through its design.

The stringent shaping and the purist optics are characteristic of the Squadrina Pico Table Base. Due to the rotatable and tiltable base joint and the upper universal joint, this lamp is very flexible. Moreover the upper aluminium profile is turnable on its own axis. Four surfaces are on offer for this lamp. This lamp is dimmed with gesture control. During dimming, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white.
