

Byok

Squadra Mono 200

Oberfläche

- Aluminio pulido
- aluminio mate
- Aluminio negro
- satén polvo blanco recubierto

Technical details

País de origen	
Fabricante	Byok
Diseñador	Kai Byok
Índice de protección / Protección IP	IP20
Contenido del paquete material	LED
longitud del cable	aluminio
Ajuste de altura	250 cm
Atenuación	altura determinada
LED	Regulable en el sitio con control de fase inversa
Indice de reproduccion cromatica	incluyendo
Temperatura de color en grados Kelvin	90
El rendimiento del sistema	2.700 extra blanco cálido
Flujo total luminoso en lm	12 x 3,6 Watt
distribución de la luz	3.670
Dimensions	directamente
	H 4 cm B 9 cm L 200 cm

Descripción

The Byok Squadra Mono 200 is a pendant lamp with a clear and timeless design. The Squadra Mono consists of one element. Through this, the characteristic alignment is created. The hollow profile used, gets its effect through the mounting hooks installed to one side. The filigree steel ropes underline the purist optics.

The profile endings come with matt transparent and translucent end caps. That's why the Byok Squadra Mono 200 sets additional highlights when switched on. The integrated LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The LEDs are placed in sockets enabling to singly exchange the bulbs.
