Descripción

The Ingo Maurer Zettel'z 5 is with 120 cm diameter the larger of two pendant lights in this collection. 31 already printed sheets are clamped to stainless steel rods or can also be exchanged and supplemented with 49 unprinted sheets (size of the paper always DIN A5). With these papers made of Japanese paper, each lamp gets its own touch. The unprinted sheets can be labeled with messages, poems or drawings at will. Any type of pen can be used for the lettering.

The Zettel'z 5 can be adjusted in different ways: whether expansive, loose, narrow or dense decides the user. Thus, the pendant lamp can be adapted to different room sizes as needed. The lamp body is made of high quality stainless steel and the diffuser is made of a heat resistant glass. This lamp is equipped with two bulbs. The upper provides diffused ambient light while the lower emits direct light. The pendant lamp is available in two cable lengths: 330 cm and 600 cm. Different replacement sets with 80 unprinted sheets or with 31 printed and 49 unprinted sheets (spare set of sheets blank) are available.
