Dimensions

H 45 cm | B 33 cm

Descripción

The Foscarini Anisha Grande is designed to reflect the balance between emptiness and fullness. In the top of the light multiple LEDs are incorporated, which lights inside the Anisha to create up on the wall and floor a beautiful game of light. With a height of 45 cm and a width of 33 cm, this is the larger of the two lights in this version.

In the Anisha Grande a touch dimmer is integrated, which responds to the slightest touch of the finger, so that an individual light intensity can be generated at any time. The last brightness level set is saved using the memory function.
