| Contenido del paquete | Leuchtmittel/Bulb |
| entrada de tensión | 110 - 240 Volt |
| Proyección en cm | 80 |
| material | caucho, metal |
| longitud del cable | 300 cm |
| Ajuste de altura | altura determinada |
| Base / Portalámparas | GU5.3 |
| Alimentación (máx. Watt) | 50 Watt |
| Dimensions | H max. 80 cm |

Descripción

The Ingo Maurer Mozzkito is a table lamp with a projection of 80 cm. Depending on how the movable lamp base is aligned, the inclination of the lamp can be set differently. As a result, the height of the table lamp varies to a maximum of 80 cm. In addition, the reflector of the lamp can be variably adjusted. As a light source, a halogen cold light reflector or a suitable LED can be used. The cable has a length of 300 cm. The 230Volt table lamp is infinitely dimmable with a slide control. The 125Volt lamp can only be switched via a switch on the supply line.
